

Search our state-direct UCC and Lien data using broad-based search logic to reveal name variations.

Prepare and submit UCC filings nationwide, with free lapse date tracking and eFiling technology.

Manage all monitoring activity, from target creations to reviewing and sorting Alerts.

FICOSO Online: Due Diligence Made Easy

With Lien Searching, UCC Filing and Post-Filing Monitoring Support

First Corporate Solutions' recently enhanced online system provides end-to-end support for all your due diligence needs. Perform UCC and Lien searches, prepare and file UCC's, request post-filing verification searches, review monitoring events all from one central location, and much more!

NEW SYSTEM-WIDE FEATURES

- Cross-Browser Compatibility
- Redesigned Sleek and Simple Interface
- Instant Estimated Charges
- Personalized Dashboard
- Integrated Account Monitoring Portal
- Advanced Sorting & Filtering

Ask us about our unique **subscription pricing plans** to save on your online UCC searches. All online images are included.

New System Features for Equipment Leasing

FICOSO Online was built with equipment leasing in mind, including an online component to our signature account monitoring program.
